

POSSE

Membership

Partner with POSSE and become a proud POSSE supporter for the 2021-2022 school year.

The POSSE is an organization of parents, teachers, and alumni of Stockdale High School who support the students, staff and teachers of our amazing school. We provide funds for academic endeavors, athletics, fine arts programs, scholarships and even special new facility funding. Please help support Stockdale students by joining POSSE. *If each Stockdale family became a POSSE member at the \$25 level, we would raise nearly \$50,000!*

POSSE meets once a month on campus with valuable information and updates presented.

Dates and times are on our website

www.stockdaleposse.com

You can even join online!

We would love your involvement, but regular meeting attendance is NOT mandatory to join.

Don't forget to submit your membership donation to your employer's Matching Donation Program!

Paid Members will receive the monthly POSSE meeting minutes via email and the listed incentives based on level of paid POSSE membership.

You can also receive updates and reminders via text or through the Remind app Text: **@shsposse** To: **81010** or follow POSSE on Instagram **@stockdalehighposse**
